Qaeda-Aligned Militants Threaten Key Iraqi Cities

Banned Substances Claim an Outsize Role in Athletics in India

PATIALA, India — The crumbling Old Moti Bagh Palace houses the National Institute of Sports, the tra

A gold medalist in the 4x400-meter relay and the 400 hurdles at the 2010 Commonwealth Games, Akku

Athletes around the world have had their careers marred by doping, but Indian athletes, with easy acce

Nearly 500 have tested positive for banned substances since 2009, when India's National Anti-Doping A

At the same time, Russia, with a population of 143 million, has had great international athletic success, since it began competing as the Russian Federation in the 1994 Winter Games.

"India cannot provide proper nutrition, training or medical care for its national athletes," said Dr. Mohan
